

Dear Committed Business and Community Member:

The Employment Collaborative of Cuyahoga County (ECCC) is a network of over 60 non-profit, social service and government agencies dedicated to meeting the hiring needs of local businesses. The ECCC is proud to work collaboratively with local employers and our network of partners. Our goal is to connect the talent of local job seekers with disabilities and other barriers to employment with the business community seeking great employees. The ECCC does this by supporting businesses through individual recruitment plans, hiring events, and educational trainings. The ECCC's services and events are provided at no cost to local businesses through generous sponsorships and donations from individuals and businesses that believe in our mission of enhancing diversity in the workplace.

Since the COVID 19 pandemic induced lockdowns in March of 2020 the ECCC has been working tirelessly to assist businesses fill their opportunities in a challenging labor market. Through the sharing of over 1700 unique job opportunities from over 700 unique employers we were able to fill 680 crucial job opportunities in Cuyahoga County's local economy. The ECCC can assist local businesses in Cuyahoga County through a virtual job lead network as well as in person hiring events. These efforts and events are free of charge to all participants thanks to generous donations and sponsors. They include support for both the business community as well as necessary supports to job seekers with disabilities and other barriers to employment. The ECCC has been able to offer free interview clothes, free rides to interviews, resume and interview preparation at no cost to job seekers. Our hope is that removing these barriers will allow more people to access opportunities generated by the great work of the ECCC partners.

If you believe in the importance of diversity and inclusion in the workplace, please consider supporting these important initiatives and events. Sponsorships help us provide our services and events at no cost to businesses or candidates. Opportunities to sponsor the ECCC for 2024 can be found in the enclosed form. Thank you for your consideration. We look forward to including you as one of our valued partners, strengthening our community's workforce, and making a difference for people with barriers to employment.

Sincerely,

Jared Daly
